Reduce, Reuse & Recycle Guide
for Napa County

FOOD COMPOSTING IS HERE!
FOR NRWS & NCRWS CUSTOMERS

June 2015 Edition
Para obtener esta guía en español, llama al 707-257-9200.
Here are some easy ways to help:

Recycle & reuse at home & work

Bring your own bag

Compost your food scraps at curbside or home

Purchase products made of recycled materials...

Recycling Saves Resources
Recycling protects the environment and reduces the need to extract virgin materials, including oil — recycling one ton of plastic saves the equivalent of nearly 4 barrels of oil.

Recycling Saves Energy
Last year, over 110,000 tons of materials were recycled or composted at the Napa Recycling & Composting Facility. By keeping these valuable resources out of the landfill, we significantly decreased carbon dioxide and methane emissions and saved enough energy to power all the houses in Napa for three months!

Recycling Saves Jobs
Did you know that the recycling industry in California employs as many people (85,000) as the film industry? And, for every ton of material that is recycled, instead of wasted in incinerators and landfills, 10 times more jobs are created in recycling sorting, and 25 times more jobs are created in recycling manufacturing.

Recycling Saves Money
Recycling and yardwaste collection is free with your service, and your monthly rate is determined by the size of your garbage container. The bigger the cart, the more you pay...save money by reducing your waste!

* Information from the U.S. Environmental Protection Agency’s Waste Reduction Model (WARM), www.epa.gov/climatechange

BERRYESSA GARBAGE SERVICE
707-226-9543

Note that organizations, services, locations and fees may change without notice. This guide is for informational purposes only and represents no recommendations or endorsements by the County or City of Napa. Layout/images/content edited by Becki Haddad, 707.253.9015. All rights reserved.
PAPER
• Cardboard (must be broken down and placed in the cart)
• Boxboard (e.g. shoe boxes, cereal boxes)
• Newspaper
• Magazines, catalogs & glossy paper
• Paper bags
• Paper packaging
• Egg cartons
• Milk, juice & aseptic (foil-lined) cartons*
• Junk mail
• Phone books & soft-cover books
• Envelopes (labels or windows OK)
• Office paper (all colors)
• Shredded paper in clear bags

PLEASE NO tissues, towels, paper with plastic coatings (such as photographs or label backing), food-soiled paper, waxed paper, foil-lined paper, hardcover books, binders, or Tyvek (non-tearing) envelopes.

✓ RECYCLE MORE
SAVE MONEY!

By taking full advantage of your convenient recycling and yardwaste/composting services, you may be able to downsize to a smaller garbage cart. The smaller the cart, the less you pay...you'll save $ and resources by reducing your waste!

*Some of these items may not be accepted up-valley or in American Canyon – check with service provider.
COMPOSTING – NOW INCLUDE THE FOOD*

ALL FOOD
- Fruits & vegetables
- Seafood & shellfish
- Meat & poultry / bones
- Fats & grease
- Rice, beans & pasta
- All prepared & cooked foods
- Bread
- Dairy products / cheese
- Eggshells

FOOD-SOILED PAPER
- Paper towels, napkins, tissue
- Paper cups & paper plates
- Coffee grounds, filters & tea bags
- Paper take-out containers
- Wax paper/butter paper
- Waxed cardboard
- Certified compostable wipes

YARDWASTE / OTHER ORGANICS
- Leaves & grass
- Branches (up to 6” diameter) & stems
- Sawdust/non-painted wood
- Floral trimmings/holiday greenery
- Hair, fur & feathers

PLEASE NO
- Plastic bags/wrap or straws
- Styrofoam
- Glass bottles & metal cans
- Aluminum foil/foil-lined food wrap
- Non-compostable wipes
- Diapers
- Liquids
- Hazardous waste
- Cat & dog waste/cat litter
- Rocks or dirt
- Painted wood

* UPPER VALLEY AND AMERICAN CANYON SERVICE PROVIDERS ACCEPT YARDWASTE ONLY IN THEIR RESIDENTIAL CURBSIDE COLLECTION PROGRAMS

IMPORTANT
All items must be placed in the cart. When your cart is full, set it out by 6am* on your service day, at least 2 feet away from other carts and 4-6 feet from other objects, lid opening facing the curb.

NO HAZARDOUS WASTE such as automotive fluids, pesticides and fertilizers, paint products, cleaners, batteries, etc. For safe and legal disposal of hazardous waste, see page 14.

*Up-valley residents and businesses should set out trash, recyclables and greenwaste the night before collection day.
FREE Waste Assessments

Can you decrease the garbage bill at your school, business, or apartment building?

Are you paying to dispose of materials that could be recycled? Learn how to take advantage of all the recycling services offered. Call NRWS at 707-255-5200 for south county information. For Upper Valley information, call 707-253-4094. We will schedule a site visit to help you determine what services are right for your business. We help give you a strategy to reduce waste, recycle more and save money.

Interior Bins

Do you need a better way to collect and transfer recyclables from your office, classroom, or apartment to the bins outside?

The City and County of Napa will provide free interior recycling containers to businesses, schools, and multi-family dwellings committed to recycling (while supplies last).

Email naparecycles@cityofnapa.org or call 707-257-9200 for more details. For Upper Valley options call 707-253-4094.

Mandatory Commercial Recycling

As part of California’s efforts to reduce greenhouse gas emissions and reach a 75% recycling rate by 2020, recycling is now mandatory for all large businesses and apartment complexes. Mandatory composting starts in 2016 for large generators of food scraps/other organics. In Napa, we make it easy for your business – contact your service provider or visit www.NapaRecycling.com now to start or improve your recycling program!
Tours & Presentations

What happens to your recyclables and yard waste after you put them in your curbside carts?

We invite your organization, business, or school to take a tour and see our recycling and composting facility first-hand. We are also available for presentations about the economic and environmental benefits of recycling – we’ll modify our presentation to make it age appropriate. To arrange for a tour, call NRWS at 707-255-5200 (south county) or 707-253-4094 for up-valley.

The Environmental Education Coalition of Napa County connects teachers with local agencies and nonprofits that provide local environmental education opportunities including field trips, guest speakers, and service projects. Visit www.napaenvironmentaled.org to learn more.

Bay Area Green Business Program

Napa County is part of the Bay Area Green Business Program. Over 100 businesses and wineries in Napa County have been certified as Green Businesses. Green Businesses benefit from free technical assistance and public promotions, and are seen as leaders in sustainable business.

To become a certified Green Business, your business must be in compliance with all environmental regulations and must implement a minimum number of measures in four areas: energy efficiency, water conservation, pollution prevention and solid waste reduction/recycling. Checklists for different types of businesses are available. For information contact Deborah Elliott at 707-259-5969 or Deborah.Elliott@countyofnapa.org, or visit www.greenbusinessca.org.
California Green Building Standards Code (CALGreen Code) requires that larger construction and demolition projects reuse or recycle at least 50% of the debris generated. The City of Napa has additional requirements for separation and recovery of certain recyclable materials.

Separate these materials for reduced rates:
carpet, concrete, asphalt, dirt, wood, metals, sheetrock and yardwaste

Why pay full price for a TRASH box when you can get the same size box for SEPARATED MATERIALS for a fraction of the cost?

Boxes for curbside recyclables (single-stream, plastic, cardboard, etc.) are free for NRWS/NCRWS customers. Prices vary for other service providers.

* Comparison only, actual costs will vary

Call your local service provider for details and pricing in your area.
FACILITIES TAKING THESE SEPARATED RECYCLABLE ITEMS

Please call for rates.

Appliance Efficiency Incentives

CLOTHES WASHERS High-efficiency residential clothes washers use less than 18 gallons of water per load, saving more than 50% in water and energy costs. Area cities are working together with Pacific Gas and Electric Company (PG&E) to offer a combined water-energy rebate of $150 on certain high-efficiency models. Washer retailers have the application and eligible washer list. For more information, visit www.waterenergysavings.com or call 800-933-9555. City of Napa businesses and apartment complexes can take advantage of a $400 Smart Rebate on high-efficiency commercial washers. Details available at www.cityofnapa.org/water.

REFRIGERATORS, FREEZERS & ROOM AIR CONDITIONERS Pacific Gas and Electric Company (PG&E) customers may qualify for a rebate by recycling old refrigerators, freezers and room air conditioners. Refrigerators or freezers must be at least 10-30 cubic feet each, empty and working. There is a limit of two units per household per year. The pick-up service is free. Qualifying customers may receive a rebate in 6-8 weeks for each unit. Funding is limited. For details or to schedule an appointment: visit www.pge.com/res/rebates or call 800-299-7573.

TOILETS City of Napa water customers and Napa Sanitation District sewer customers can take advantage of generous financial incentives to replace pre-1992 water-wasting toilets (3.5 or more gallons per flush) with today’s high-efficiency toilets, some of which use as little as 1 gallon per flush. Visit www.cityofnapa.org/water or www.napasan.com for details on current programs, or call the City of Napa’s Water Conservation Representative at 707-257-9497. Commercial customers may obtain Smart Rebates from the City of Napa for high-efficiency toilets and urinals.

City of American Canyon will reimburse up to $100 for every qualifying standard toilet removed and replaced with a high-efficiency toilet. Call the American Canyon Public Works Department at 707-647-4550 for more details, as well as info about free low-flow shower heads and sink aerators.

City of Calistoga will reimburse water customers up to $100 for replacement of a pre-1992 (3.5gpf) toilet with a EPA WaterSense labeled toilet using 1.28gpf or less — maximum two rebates per household. Water customers may obtain free high efficiency shower heads, sink aerators, toilet tank bags, garden hose nozzles, and other water conserving fixtures by contacting the Calistoga Water Conservation Team at 707-942-2784 or www.conservecalistoga.org.
# BUYBACK & DROP-OFF LOCATIONS

*See location maps, pages 21-22*

For more information: www.calrecycle.ca.gov/BevContainer

## California Beverage Container Recycling Program

Glass, aluminum & plastic beverage containers labeled CRV (California Refund Value) can be redeemed at designated centers for:

- 5¢ per container under 24 oz
- 10¢ per container 24 oz and above.

Recycling centers are allowed to pay by weight as a matter of business efficiency, however California law allows the option of being paid based on count for up to 50 containers of each material type.

Non-CRV glass, metal and plastic beverage containers are accepted for recycling at most drop-off recycling locations.

**Who owns your recyclables?**

Recyclable materials at your workplace or home belong to you. You may choose to take your cans and bottles to a recycling buyback center or put your recyclables in the recycling equipment provided by your service provider for regularly scheduled pickup.

Once those materials are in the recycling cart or bin, only you or your service provider have the right to remove them. The recyclables have value, and the revenue your service provider receives from processing recyclables is taken into consideration when garbage collection rates are set.

---

.recycle = Drop-Off  
$= CRV Buyback  
Center will pay ONLY for CRV beverage containers, but may accept non-CRV items.
RECYCLING AT SPECIAL EVENTS

Look for recycling containers at fairs, concerts or other public events!

Want to recycle at YOUR event? Resources are available to help you succeed.

During the planning process, call NRWS at 707-255-5200 (south county) or 707-253-4094 for up-valley. They will help you select the right recycling and trash containers for your needs and provide guidelines for successful event recycling.

State and County policies require recycling at large events. Plus, recycling will save you money because there is no charge for recycling at large events (south county and north county free services vary) … while there is always a charge for trash collection.

✔ PLAN FOR RECYCLING

• Include a plan for recycling as you organize your event.
• Recycling and trash containers should always be paired together.
• Proper placement and signage for all containers is key.
• Work with cleanup staff to monitor containers throughout the event.
  If you are not able to recruit volunteers for end-of-event cleanup, paying for assistance during this critical time is a worthwhile investment.

Learn more:
Check the Guide to Recycling at Special Events at:
www.NapaRecycling.com

MAKE IT A ZERO-WASTE EVENT!

Food Composting
Visit www.NapaRecycling.com or call 707-255-5200 to learn if composting is an option for your event
Watch For These
City/County-Sponsored
E-Waste Recycling Events

- Annual June Event
  South County residents will receive information about the FREE e-waste event with their garbage bill. Also advertised in local publications.

- Other City/County-Sponsored Events As Advertised

Other Opportunities
Goodwill
800-400-2720
www.gire.org

Where does Napa’s e-waste go?
To Electronics Recyclers International, Inc (ERI) in Fresno. ERI has multiple certifications from national and international organizations for managing products using the most environmentally sustainable technologies and practices. Learn more at www.electronicrecyclers.com.

Here are a few of ERI’s certifications:
Electronics Include:

- **COMPUTER EQUIPMENT**: computers, modems, keyboards, printers, scanners, cables, & mouses.
- **TELEVISIONS, COMPUTER MONITORS & FLAT SCREENS**
- **OFFICE EQUIPMENT**: telephones, fax machines, & copiers. Please remove toner and recycle separately.
- **CONSUMER ELECTRONICS**: VCRs, tape players, stereo equipment, radios, CDs, cell phones, power cords, etc.
- **HOUSEHOLD APPLIANCES**: microwaves, blenders, food processors, toasters, vacuums, coffee makers, Christmas light strands, etc.

### Computer Donations

Help schools and non-profits by donating unwanted computers and equipment. Some restrictions apply.

**For more information:**
Computer Recycling Center  
[www.crc.org](http://www.crc.org)

To learn how to erase personal information off your computer visit:

[www.nvpcug.org/Erasing_Hard_Drive.htm](http://www.nvpcug.org/Erasing_Hard_Drive.htm)  
[www.crc.org/info/newsletter.html](http://www.crc.org/info/newsletter.html)

### Cell Phones

Cell phones and their batteries are accepted anywhere they are sold. Otherwise, donate to a school or charity.

Visit the internet and search for “cell phone donation” for more information.

### Toner & Ink Cartridges

Recycling organizations pay schools for their collection of **ink/toner cartridges** and **used cell phones**. By recycling just one ink cartridge, a half gallon of oil is conserved! For more information visit [www.cartridgesforkids.com](http://www.cartridgesforkids.com).

**The following businesses also accept toner & ink jet cartridges:**

- **Think Toner & Ink**: 1006 Clinton St, 707-257-4INK (4465)
- **Goodwill**: 1683 W. Imola Ave; 707-252-1197; [www.gire.org](http://www.gire.org)
- **Healthquest Fitness Center**: 3175 California Blvd, 707-254-7200
- **Office Depot**: 211 Soscol Ave, 707-258-0280
- **Staples**: 3325 Jefferson St, 707-258-1490

Look for remanufactured & refurbished cartridges 🔄
The California Product Stewardship Council advocates for policies that require product manufacturers to take responsibility for recycling or disposing of the products they make. Learn more about producer responsibility and how you can play an active role at www.calpsc.org.

BATTERIES & FLUORESCENT BULBS/TUBES

The City of Napa’s LIGHTING EFFICIENCY & SAFE STEWARDSHIP (LESS) PROGRAM promotes FREE safe disposal of home-generated fluorescent bulbs and tubes (maximum 4 ft). *Businesses: See page 14 for local options or check www.lamprecycle.org or www.almr.org for providers who manage business-generated fluorescent tubes.

Using fluorescent bulbs and tubes
✓ Saves Money
✓ Saves Energy
✓ Reduces Waste

† CA CERTIFIED: California Certified Oil Collection Centers offer 40¢/gallon for used oil.
* These locations also accept latex paint

CURBSIDE RECYCLING Used Motor Oil and Filters
Call to receive a recycling container and oil filter bag. Must call ahead each time for pickup on your regular service day.

NRWS/NCRWS: 707-255-5200
Upper Valley Disposal & Recycling: 707-963-7988
American Canyon: 707-552-3110

No charge to households subscribing to recycling and trash service

Need to Get Rid of an Old Car?
Many organizations will accept your vehicle as a tax-deductible donation. Restrictions may apply. Look under “Charitable Organizations” in the yellow pages or check the internet for more information.

Is Your Car a Clunker?
Pacific Auto Salvage: 707-255-1437
5759 Napa-Vallejo Hwy, American Canyon
Call for details and availability.

Need to recycle tires? See page 7.
HAZARDOUS WASTE

Improper and illegal disposal can contaminate our drinking water, impede waste water treatment plants, pollute local waterways and endanger workers. It can also lead to penalties and fines.

HAZARDOUS WASTE COLLECTION FACILITY
FOR SAFE DISPOSAL

The Hazardous Waste Collection Facility is for safe and legal disposal of unusable or unwanted hazardous products. Please remember to pack products carefully so they won’t mix or spill. Transport in trunk if possible. The facility accepts all types of hazardous waste except: Radioactives • Explosives • Ammunition.

For highway safety, there is a legal limit of 15 gallons or 125 pounds of hazardous waste per trip.

Every Fri & Sat; 9am-4pm
For more information call: 1-800-984-9661

Households: No appointment required; no fee. • Businesses: Appointment only; fee for service.

EXAMPLES:

HOME:
- Polishes & cleaners
- Oven cleaners • Drain openers
- Lighter fluids
- Unwanted medications • Used syringes
- Mercury thermometers • Cosmetics
- Fluorescent lamps/tubes
- Rechargeable or alkaline batteries

GARDEN OR LANDSCAPE:
- Fungicides • Insecticides
- Herbicides • Pool chemicals

GARAGE OR WORKSHOP:
- Latex & oil-based paints
- Paint thinner & strippers
- Wood preservatives
- Grease & rust solvents
- Wood & metal cleaners
- Glues & cements • Photo chemicals
- Antifreeze • Transmission fluids
- Gasoline & fuel additives
- Carburetor cleaners • Batteries
- Used oil & oil filters

HAZARDOUS WASTE DISPOSAL
FOR BUSINESSES

Businesses that generate less than 220 lbs. or 27 gallons of hazardous waste per month can dispose of their waste at the Hazardous Waste Facility. Appointments are required and there is a fee for this service. For appointments and information:

1-800-984-9661

Businesses that generate hazardous wastes are required to obtain a Hazardous Waste Generator Permit. Call Napa County Planning, Building & Environmental Services at 707-253-4471 for information.

Medications and Sharps (used needles, syringes and lancets):

- Home-generated only – no business wastes
- Medications and sharps:
  - Hazardous Waste Collection Facility (see above)
  - Clinic Ole (3 locations)
    - Napa: 1141 Pear Tree Lane, 707-254-1770; St. Helena: 1222 Pine St, Ste A 707-963-0931
    - Calistoga: 911 Washington St, 707-709-2308
- Medications only:
  - Family Drug: 1805 Old Sonoma Rd, Napa, 707-224-7807
  - Kaiser Permanente: 1675 Permanente Way, Napa, 707-258-2500
- Sharps only:
  - Napa County Dept of Public Health
    - 2344 Old Sonoma Rd, Bldg G, Napa, 707-253-4270
  - Clover Flat Landfill
    - 4380 Silverado Trail, Calistoga; 707-963-7988
  - Napa County Animal Shelter (Animal sharps only)
    - 942 Hartle Court, Napa, 707-253-4382

For more information on how to properly dispose of syringes, lancets and other sharps, please contact Napa County Public Works at 707-253-4094 or visit www.NapaRecycling.com.
Paint Recycling  PaintCare.org operates a paint stewardship program to ensure convenient locations for recycling paint product(s) including: interior and exterior house paints, deck coatings, primers, sealers, stains, shellacs, lacquers, varnishes, and urethanes. Deliver products in their original containers (5 gallon maximum) and a maximum of 20 gallons total per trip. PLEASE CALL AHEAD to ensure the site has enough storage space to accommodate your paint. Visit www.paintcare.org to learn more about the “Paint Smarter” program.

Clover Flat Landfill  4380 Silverado Trail, Calistoga; 707-963-7988; Tues-Sat 9am–4pm, Sun 9am–3pm

Yountville Corp Yard  7501 Solano Ave, Yountville; 707-944-2988; M-F 8am–3:30pm

REDUCE TOXIC WASTE

Is your unwanted product in good condition?
Could it be used by someone else? Don’t let it sit on your shelf! At the Hazardous Waste Collection Facility they’ll decide if your product can go to the “Reuse Locker” where someone else can use it up instead of wasting it.

Unwanted hazardous waste is very expensive to dispose. A better option for both your budget and the environment is to prevent the “waste” from the start.

1) Buy the right product for the job. There is no magic bullet! What do you want the product to do?
2) Buy the least toxic alternative. To minimize negative impacts to people/pets/the environment.
3) Buy only the amount you need or can use up. Will you be able to use up the “jumbo” or “bargain” size product before the expiration date?
4) Store the product properly so it doesn’t become unusable. Keep in a covered, dry, safe place.

OUR WATER OUR WORLD

Choose less toxic pest management products for your home and garden at Napa County stores.

Below are Napa County participating stores.

Napa: Orchard Supply Hardware • Van Winden Garden Center  Zeller’s Ace Hardware • Home Depot  Central Valley Builders Supply
St. Helena: Central Valley Builders Supply • Steve’s Hardware
Calistoga: Silverado Ace Hardware
American Canyon: Mid City Nursery

In each store look for:

• User-friendly Fact Sheets on common pests & less toxic ways to control them including product recommendations
• Tags on store shelves to help you find the less-toxic products recommended

Online:

• www.OurWaterOurWorld.org offers information about pesticide use and the impact of pesticides on the environment.
Food Donations

Californians throw out over 11 billion pounds of food “waste” every year! Fight this waste and lend a helping hand...donate your extra food.

The following organizations accept non perishable and prepared food. Please no outdated canned goods or open containers. You must call ahead to make arrangements for prepared and/or perishable food donations. The Good Samaritan Law protects you from liability.

- **Napa Valley Food Bank** – 707-253-6128
- **The Table (First Presbyterian Church)** – 707-224-8693
- **South Shelter** – 707-299-1742 or 707-299-1739
- **Salvation Army** – 707-226-8150
- **California Human Development Farmworker Center** – 707-942-9279 or 707-333-0183

**Suggested Items:**
- Canned Meat
- Nuts
- Canned Vegetables
- Canned Juice
- Rice
- Peanut Butter
- Baby Food
- Tuna
- Pasta or Noodles
- Canned Fruit
- Beans
- Macaroni & Cheese
- Cereal
- Soup

Reduce Junk Mail

 DECLINE PROMOTIONAL MAIL WHEN YOU BUY FROM CATALOGS, ONLINE OR BY PHONE.

- Log on to www.catalogchoice.org to stop receiving unwanted catalogs
- Visit www.dmchoice.org to reduce junk mail by 80%
- Opt out of credit card and insurance offers at www.optoutprescreen.com
- Opt out of phone books at www.yellowpagesoptout.com
- Check www.stopjunkmail.org for sample letters and additional tips
- Sign up for services (for a small fee) at a website that will remove your name from mailing lists
- Visit www.naparecycling.com for links and more information

Please note: some processes will take up to 90 days to take effect, and others will need to be updated periodically.

Styrofoam Reuse Drop-off locations

**NAPA:***

- **Buffalo’s Shipping Post**, 2471 Solano Ave (styrofoam peanuts only)
- **All American Mail Center**, 1270 Trancas Ave (styrofoam peanuts only)
- **Cartons & Crates**, 3250 California Blvd (also accepts: large Styrofoam sheets, packaging foam, bubble wrap, wine shippers, cardboard boxes, and other reusable shipping materials – please call ahead: 707-224-7447)
- **The UPS Store**, 4225 Solano Ave (please no cardboard boxes; styrofoam peanuts only)

Avoid messy and wasteful Styrofoam by packing instead with reused newspaper, cornstarch peanuts, or other earth-friendly methods.

---

**Shopping Bags**

Every second, Californians discard 600 plastic bags! Plastic bags litter the environment, use up valuable resources and fill up landfills.

Please strongly consider using reusable bags.

Visit www.IGotMyBag.org for tips.

**Plastic Bags**

The City of Napa’s Single-Use Bag Reduction Ordinance took effect January 1, 2015

The ordinance includes:

- A ban on plastic carryout bags at retail locations in the city
- A 10-cent charge to customers for large paper bags

For more information, visit www.cityofnapa.org/plasticbag

Clean plastic bags can be recycled at some grocery stores, retailers and drug stores. You can also include other film plastics such as:

- produce bags
- dry cleaning bags
- newspaper liners
- ziplock bags
- bubble wrap, etc.

Napa curbside food donation collection is scheduled for every March. Look for the garbage bill "Spring into Action" insert for further details.
**Clothing, Furniture and/or Book Donations**

**Pick-Up:** Call to schedule an appointment for pick-up from your home or office.

- Salvation Army: 800-958-7825
- Goodwill: 707-253-0550; www.gire.org

**Clothing & Book Curbside Pick-Up:**
City of Napa only – visit: www.NapaRecycling.com

**Napa Drop-Off:**
American Cancer Society Discovery Shop
1380 Trancas Street, 707-224-4398
Community Projects, Inc.
715 Franklin, 707-226-7585
Goodwill
1683 W. Imola Ave, 707-252-1197

**Book Drop-Off:**
Napa Library
580 Coombs St, Napa; 707-253-4241

**Deconstruction & Reuse Network**
...is a California non-profit specializing in the salvage and reuse of residential and commercial building materials and offers a tax donation benefit to our deconstruction and reuse clients for their green and sustainable efforts.

888-545-8333 ext. 218
cheiro@reusenetwork.org
www.reusenetwork.org

**Other Reuse Organizations**
The www.calmax.org website has a listing of useful links.

---

**DEVLIN ROAD**

**Reuse & Recycle Center**
889B Devlin Road, American Canyon
707-258-9018; Daily 8:30am–3:30pm

**RECYCLE**
Aluminum, tin, plastic, glass, cardboard, mixed paper, & scrap metal are accepted. ($$ paid for CRV materials and scrap metal.)

**REUSE**
Drop off reusable items in good condition or...

Browse the yard and see if anything catches your eye. The center has:
- Building materials (doors, windows, cabinets, sinks, tubs, toilets, pipes, lumber, nuts/bolts, spas, tools)
- Furniture (such as chairs, bookshelves, lamps, tables)
- Clothes, shoes, books & housewares
- Lawn & garden items (lawn mowers, rototillers, pots, grape stakes) AND MORE!

All items dropped off for reuse are subject to approval. You won’t find better prices anywhere!
TO PURCHASE BULK COMPOST OR TOPSOIL:

Napa Recycling & Composting Facility
Organic Compost
NRWS will deliver for a fee – 10 cubic yard min
707-255-5200

Upper Valley Disposal & Recycling
Harvest Compost & Blended Compost
Please call for pick-up or delivery details – 707-963-7988

DROP-OFF OF CLEAN YARDWASTE
Call for fees (always less than trash!)

Napa Recycling & Composting Facility
820 Leavitt Way, American Canyon 707-255-5200

Clover Flat Landfill
4380 Silverado Trail, Calistoga 707-963-7988

Napa’s local compost is perfect for vineyards, farms, gardens, yards and landscaping projects.
CONSERVE RESOURCES

HOME COMPOSTING WORKSHOPS

LEARN to reduce and eliminate yardwaste and turn it into wonderfully rich, free compost for your garden.

DISCOVER the basics of backyard composting and composting with worms.

BECOME familiar with tools, types of bins and the ins and outs of recycling yardwaste, and even some food scraps.

BE INFORMED about GRASSCYCLING. Grass clippings release valuable nutrients back into the soil.

SIGN UP FOR A FREE WORKSHOP

Check your garbage bill inserts early in the year for a registration form or sign up online at www.cityofnapa.org/compost.

For questions about workshops/registration call 707-257-9200.

WATER-WISE HOME & BUSINESS SURVEYS

The City of Napa offers this free service to help its residential and commercial water customers use water more efficiently and reduce their bills. A water conservation specialist will visit your site to:

- Check for leaks and recommend repairs
- Check toilet flush volumes
- Check faucet and showerhead flow rates
- Evaluate all other water-using appliances and equipment
- Provide free water-saving fixtures if needed and identify applicable rebates
- Inspect your irrigation system and recommend improvements
- Advise you on irrigation scheduling

Call 707-257-9497 today to schedule your free Water-Wise Survey!

The City of Calistoga offers free water assessments and leak detection services to local households and businesses. City water conservation specialists help residents and businesses cut water use and reduce their water bills. Contact the water conservation team at www.conservecalistoga.org/rebate-programs or call (707) 942-2784 to learn more about water conservation and the “Cash for Grass” program.

Cooking Oil

Cooking oil should not go down the drain! Recycle it for biodiesel instead!

Take your cooking oil to the Devlin Road Reuse & Recycle Center (see page 22, location #2) or the Hazardous Waste Collection Facility (see page 22, location #4).

Large commercial generators can check www.NapaRecycling.com for a list of service providers.

Free curbside pickup for City of Napa customers!

Call NRWS at 707-255-5200 to receive a container.
BUY RECYCLED to CLOSE THE LOOP

Collecting recyclables is just the beginning. To Close the Loop they must be used to manufacture new products.

Benefits of Buying Recycled

- Reduce the extraction of virgin materials
- Save energy, decreasing the need for coal, oil or other non-renewable energy resources
- Create new enterprises, markets & jobs
- Reduce air and water pollutants; manufacturing with recycled materials is a much cleaner process
- Create a greater demand for manufacturers to use recycled materials
- Help California reach its mandated recycling goal of 75% and reach toward Zero Waste.

Examples of Products Made with Recycled Materials

**Aluminum & other metals:** appliances, cans, building materials, furniture

**Glass:** bottles, kitchenware, mosaics, tile flooring, fiberglass insulation

**Laser & inkjet cartridges:** refurbished cartridges

**Paint:** recycled content latex paint

**Paper:** office/printing paper, chipboard, cardboard, paper towels, toilet paper, tissues, insulation, hydraulic mulch (usually mixed with seed for highways), absorbents

**PET plastics** (clear bottles): tote bags, t-shirts, office & promotional products; Eco-fi™ (www.EarthEasy.com) or Polartec™ (www.polartec.com) for fleece jackets, blankets, athletic wear

**Plastics:** poly-wood (decking), playground equipment, picnic tables, planter boxes, office materials, landscaping materials (e.g. lawn edging, fence posts, garden hose), bins & buckets, street barricades & cones, carpet, paint

**Textiles:** canvas bags, t-shirts, polo shirts, absorbents

**Tires:** flooring, floor mats, walking paths, shoes, mousepads, roofing, soil enhancements, tires (2%-6%), arena footing

**Used cooking oil:** biodiesel

**Used motor oil:** re-refined motor oil

**Yardwaste, food scraps & wood:** wood chips, compost & mulch, topsoil, absorbents, renewable fuel
Area Map of Recycling & Disposal Service Providers

Recycling Centers

1. Clover Flat Landfill / Upper Valley Recycling
   4380 Silverado Trail, Calistoga, 707-963-7988

2. PUC Recycle Center
   205 Highland Oaks, Angwin, 707-965-7177

3. Harold Smith Contractors
   800 North Crane Ave, St. Helena, 707-963-7977 ext 110

4. Berryessa Transfer/Recycling Operation
   7400 Steele Canyon Rd, Berryessa, 707-226-9543

5. NexCycle (near Staples)
   3375 Jefferson St, Napa, 800-969-2020

6. Tomra Recycling
   874 Jackson St, Napa, 800-226-2453

7. South County Services: complete list on page 22.

Please refer to pages 7–8 for days and hours.
**NAPA COUNTY RECYCLING & DISPOSAL SERVICES**

1. **NAPA RECYCLING & WASTE SERVICES / NAPA COUNTY RECYCLING & WASTE SERVICES**
   - 820 Levitin Way, American Canyon, 707-255-5200
   - M-F 8am–5pm
