

Almost everything generated at a winery can be recycled or composted...contact us to set up your

Zero Waste Winery

SINGLE STREAM RECYCLING	Setup single stream recycling in offices, tasting room and public areas. Make sure to pair all trash bins with well-labeled recycling bins. www.naparecycling.com/single-stream-recycling
GRAPE POMACE AND LEES	Collection available; reused as animal feed or composted
YARDWASTE	Composting pickup for all leaves, grass, cuttings, and other landscaping material
FOOD COMPOSTING	All food scraps from kitchens, tasting rooms and employee break rooms, along with paper towels from bathrooms and labs, can now be composted with yardwaste. www.naparecycling.com/food-composting
CARDBOARD	Can be picked up loose (in single-stream recycling) or baled separately
GLASS	Bottling facilities can source-separate by color, or it can be mixed for pickup. Product destruction services are also available for cases of full bottles.
SCRAP METAL	Large amounts can be picked up separately, small amount can go in regular recycling
WOOD	Pallets, sawdust and other wood can be serviced separately for recycling
SHRINK WRAP	Can be consolidated and put in with single-stream recycling or baled separately
LABEL BACKING	PET clear film label backing is recyclable – please consolidate in a clear bag before putting in the recycling bin. The plastic-coated paper label backing is not recyclable.
TETRA PAK CARTONS	Can be recycled in single-stream, or baled if there is large volume
E-WASTE	Must be recycled, it can be picked up or dropped off at the Napa Recycling & Composting Facility www.naparecycling.com/e-waste-recycling-options
BATTERIES & FLUORESCENT BULBS	These universal waste items must be recycled at the Hazardous Waste Facility www.countyofnapa.org/PBES/Pollution
NATURAL CORKS	Accepted in compost, but not the recycling. Use ReCORK or Cork ReHarvest to recycle corks.
METAL SCREWCAPS	Allowed in the recycling, but please make sure to first remove the cap from the bottle and recycle the bottle and cap separately in the cart (<i>do the same with the metal lids on glass jars</i>).
PLASTIC CORKS	Too small to be recovered if they are placed in the recycling, so if they are not dropped off for recycling (<i>at Nomacorc</i>) they still need to go in the trash. More cork info at www.naparecycling.com/cork-recycling
CAPSULES	Can be recycled if segregated by type at winery

VINEYARD MATERIALS

IRRIGATION DRIP HOSE	Needs to be clean (<i>little or no dirt</i>) and in rolls. Wire must be removed and recycled in separate rolls.
VINEYARD WIRE	Source separated and consolidated into rolls for recycling
PVC PIPE	Needs to be cut in 3' or shorter lengths before being recycled
BIRD NETTING	Source separated, clean and rolled for recycling
VINES	Instead of burning, keep separated to be recycled as wood (<i>please no treated wood</i>)
TREATED WOOD	Must be disposed of at special landfills (<i>Hay Road in Vacaville or Altamont in Livermore</i>)
VINEYARD HEATERS	Can be recycled as scrap metal if completely drained of fuel and sludge. Fuel and sludge must be properly disposed of as hazardous waste.

OTHER INFO

COMPOST PURCHASE	Organic compost is available for vineyards, gardens and landscaping. Delivery and spreading services are available www.naparecycling.com/compost
BUY RECYCLED	Close the loop and purchase products made from recycled materials www.naparecycling.com/buy-recycled
MANDATORY RECYCLING & COMPOSTING	As part of California's efforts to reduce greenhouse gas emissions and reach a 75% recycling rate by 2020, recycling is now mandatory for all large businesses. Mandatory composting starts in 2016 for large generators of food scraps/other organics. In Napa, we make it easy for your business – visit www.naparecycling.com/commercial now to start or improve your recycling and composting program!
INTERIOR EQUIPMENT AND SIGNAGE	A full range of bins and signage is available www.naparecycling.com/wp-content/uploads/2013/03/Napa-Business-Recycling-and-Compost-Equipment.pdf
SPECIAL EVENTS	Recycle and compost at all your events, check www.naparecycling.com/special-events for info
BAGS FOR CUSTOMERS	Wineries are included in the City of Napa's plastic bag ordinance (<i>and in the pending State bag ban</i>). More info at www.naparecycling.com/plastic-bag-recycling
WINE SHIPPING	We cannot recycle Styrofoam; corrugated or pulped cardboard are recyclable alternative
