We accept gently used coats, costumes, and shoes during event hours only

Donate an unwanted coat, costume or pair of shoes and get a free indoor recycling or compost pail for your home or office.

Please donate gently-used coats (no tears or stains) or shoes (any condition) for children and adults. The Salvation Army will distribute the coats locally to those in need. The non-profit organization Soles4Souls will distribute shoes around the world to those in poverty. Any shoe not reused will be recycled.
