

Saturday, January 6th, 2018

Your Local Boy Scout Troops Request the Following:

Please have your tree on the curb by **9:00 am** on **January 6, 2018**. Please **DO NOT** set out your tree earlier in the week, since tree collection will not take place until Saturday, January 6th.

Trees must be free of ornaments, nails, tinsel, stands, and metal spikes. All are safety hazards.

A voluntary donation of \$10.00 per tree is suggested and appreciated.
Please do not leave money on the tree!

Boy Scouts will come to your door.
Please leave a check made out to "Boy Scouts of America" in an envelope at your door.

PLEASE NOTE: Customers in Napa County who miss the January 6th Boy Scout tree pick-up may place their tree out for collection on their normal service day beginning Monday, January 8th. Please follow the above tree preparation guidelines and cut trees over 8' in half. Flocked trees are accepted. Wreaths and other holiday greenery go in the compost cart.

The trees are recycled into mulch, compost or fuel for renewable energy
