Remodeling your home or office?

Help people in need & send less to the landfill
by taking advantage of

ReStore Deconstruction Services

To learn more about this exciting
new program call 707-422-1948

After a **FREE consultation** to approve and schedule your deconstruction project, Habitat for Humanity crews carefully remove items such as kitchen cabinets, appliances, lighting fixtures, sinks, tubs, toilets, etc in your home or business before a remodel or tear down. **All services are FREE.** The items are sold at Habitat's ReStore in Fairfield.

- **Homeowner** gets a tax deduction for the donation of materials
- **Contractors** reduce labor and disposal costs
- **Everyone** benefits because fewer resources are wasted in landfills and all proceeds support Habitat's mission to build affordable homes & empower families through home ownership.

www.solanonapahabitat.org

ReStore volunteers are always welcome and those with skills that can support deconstruction projects are particularly needed. See the volunteer tab on the website.
