RECYCLE USED COOKING OIL

1. Order a recycling can
2. Fill the cooking oil storage can with **ONLY** used cooking oil. Our RecycleMore service does not accept animal fat or grease. Please do not add them to the can. Feel free to place animal fat, grease, and paper towels stained with cooking oil or fat in your brown compost cart.
3. Call to schedule your set-out and pick-up day: **707-255-5200** or naparecycling.com/recycle-more

**Do not dispose
of fats, oil or
grease down
the drain!**

**Fats and
grease can go
in the compost
cart.**

Keep this valuable resource out of the landfill. Used cooking oil will be turned into biodiesel fuel, reducing demand for imported petroleum.

**Schedule a curbside pick-up by visiting
naparecycling.com/recycle-more
or calling the number below.**
