BOY SCOUTS

Saturday, January 5th, 2019

Your Local Boy Scout Troops Request the Following:

Please have your tree on the curb by **9:00 am** on **January 5, 2019**. Please **DO NOT** set out your tree earlier in the week, since tree collection will not take place until Saturday, January 5th.

Trees must be free of ornaments, nails, tinsel, stands, and metal spikes. All are safety hazards.

A voluntary donation of \$10.00 per tree is suggested and appreciated.
Please do not leave money on the tree!

Boy Scouts will come to your door. Please leave a check made out to "Boy Scouts of America" in an envelope at your door.

PLEASE NOTE: Customers in Napa County who miss the January 5th Boy Scout tree pick-up may place their tree out for collection on their normal service day beginning Monday, January 7th. Please follow the above tree preparation guidelines and cut trees over 8' in half. Flocked trees are accepted. Wreaths and other holiday greenery go in the compost cart.

The trees are recycled into mulch, compost or fuel for renewable energy

The annual Boy Scout Christmas Tree Recycling Program has support from Napa Recycling & Waste Services, KVON/KVYN Radio, The Napa Valley Register, The County of Napa, and the Cities of American Canyon and Napa.
